

It's fun to play at home

Fun with Sounds!

Other Ideas:

Make musical instruments using boxes, pots, elastic bands dried peas, pasta etc.

Say words in different ways - fast slow, high, low, using funny voices.

Enjoy rhyming books and songs together.

Help your child develop the skills they will need for reading and writing

Out and about - go out for a walk and listen with your child to all the sounds you can hear

When you get home try to remember the sounds you heard together, can you use your voices and bodies to make any of the sounds?

Lets talk:

Try to break some words down into their sounds: c-a-t; m-ou-se. Don't forget to make it fun!

Help your child to listen carefully, develop their vocabulary, and speak confidently.
